

## Fiber Cement & Composite Prefinished Board & Batten

Carolina Colortones has been a reliable source for quality Fiber Cement and Composite siding and trim for over three decades. Fiber Cement can be used to achieve many styles such as lap or beveled, shingle, and board and batten. With the various finishes, fiber cement and composite siding is a great way to mimic wood grain. Board-and-Batten is a great choice to add the “rustic” touch to the home.

### Coating Options

#### Woodland Standard Series

#### Woodland Premium Series

#### Seaside Series

#### Rustic Series

### Custom Color Matching:

Carolina Colortones uses all major brands of exterior solid color paint. The color palettes can be found at any local retailer that carries major brands. We also specialize in custom color matching. Choose from the color palette of any paint brands, and we can match it with a solid color stain or paint.
