

Prefinished Fiber Cement Lap Siding

Carolina Colortones is a reliable source for quality Fiber Cement lap siding. We proudly work with Allura, Nichiha Fiber Cement and James Hardie to provide our customers with the various fiber cement finishes. Fiber Cement lap siding adds the natural look you're looking for without any of the limitations of wood or vinyl. This versatile, sustainable, high-performance product makes as much sense for a home as it does for commercial building.
